

Vol. 11 No. 1 | Winter 2022

Douglasville CVB Newsletter

Happy New Year, everyone! I can't believe it is already 2022. I feel as though the past few years have flown by. It's hard to believe we are already starting another trip around the sun. This time of year always brings a reminder of a fresh start. It is a time to get started on resolutions and map out different goals and things I want to achieve in the next 12 months. It's a great time of reflection and taking the time to do this starts me off on the right foot!

I hope that you all have a wonderful new year and I hope that you can achieve all that you hope for this year!

God bless,

Mayor Rochelle Robinson

The Cultural Arts Council Douglasville | Douglas County (CAC) spearheaded the "Love Where You Live" HeART

Project in partnership with the Douglasville Convention and Visitors Bureau (CVB). Artists were invited to submit their applications for consideration to have one of their creative designs painted onto a fiberglass heart to be installed in the community.

Final locations were determined by considering the interests of the business owners, tourists, high trafficked areas, walkability and the suitability of the sculpture to the location.
